Youth Basketball Playing Rules

Revised 12/2/2025

## **Players per Team**

- It is our intent for each team to have 8-9 players in 5v5 divisions and 4-6 players per team in 3v3 divisions. These numbers may be adjusted based on the number of players, coaches and teams available in a division.

## **Loss of Players**

- If a team loses a player at any time (whatever the reason), the Head Coach must contact the league office via email within forty-eight (48) hours of realizing this loss and inform BCYC of the loss.
- It is our intention to contact all players who withdraw from the league to:
  - Determine why they left;
  - Determine what BCYC can do to improve its ability to retain its players.
- If the loss occurs early enough in the season, the open slot on the team MAY be filled by the player's assignment from a "waiting list."

## **Roster Formation**

- Participants registered in the
- K/1 division will be placed on teams randomly unless requested otherwise.
- According to BCYC, family is defined as biological siblings, step-siblings who reside at the same address, or other family members who reside at the same address with a "Legal Guardian". "Siblings" must be noted on the registration form.
- Report cards/utility bills may be used for address verification.
- BCYC may add, at its discretion, to the maximum number of players to the roster for each league/sport.
- BCYC is responsible for all teams. All adds and drops must be approved and organized by/through BCYC.
- BCYC's main goal during roster formation is competitive balance of teams.
- For the 2nd/3rd, 4th/5th, and 6th-8th grade divisions, teams will be drafted by volunteer coaches based on the following criteria:
  - Protected Players (2 per team max)
    - Coach must submit a [player protect form](#)
  - Player ability assessment scores (evaluated at the play day by volunteer coaches)
  - Age/Grade

# **Belton Christian Youth Center**

## Youth Basketball Playing Rules

Revised 12/2/2025

### **Protected Players**

- Each volunteer coach will be allowed two (2) protected players. Volunteer/assistant coach's children are counted toward their protected players.
- Head coaches must fill out the player protect form and have the parents of their protected players sign the form.
- If two or more volunteer coaches attempt to protect the same non-biological player, BCYC will consult with the parent/guardian of the player. The parent/guardian will declare which volunteer coach they want their child to play on.

### **Player Participation Rule**

The following applies to every player that has made half (1/2) of all scheduled team practices within the last seven (7) days. This will be enforced and non-compliance with the players' participation rule could result in discipline up to and including forfeiture.

- K/1 players are required to play at least 2 quarters. Players will remain in for a whole quarter barring any injuries or player refuses to play.
- In 2nd/3rd, the scorekeeper at the table will attempt to keep track of player substitutions. Substitutions may be made at the halfway point of each quarter. The players MUST WAIT until the referee or coach motions them to enter the game during a dead ball. 8U players must play 1.5 quarters. The player's participation must come from both the 1st and 2nd half. (i.e., Player A can play half of the 1st quarter, and all the 3rd or 4th quarter; or all the 1st quarter and ½ of the 3rd or 4th quarter).
- 4th/5th: Each player must play at least 1.5 quarters of each game. The player's participation must come from both the 1st and 2nd half. (i.e., Player A can play half of the 1st quarter, and all the 3rd or 4th quarter; or all the 1st quarter and ½ of the 3rd or 4th quarter).
- 6th/7th/8th: Each player must play at least 1.5 quarters of each game. The player's participation must come from both the 1st and 2nd half. (i.e., Player A can play half of the 1st quarter, and all the 3rd or 4th quarter; or all the 1st quarter and ½ of the 3rd or 4th quarter).
- Scorekeepers will attempt to track Player Participation in the scorebook. However, it is the coach's responsibility to ensure that each player plays their allotted time.

**Please remember that this is a Recreation league. We aim for this to be an introduction to sport for all players. Therefore, we require that each player actively participates in both halves of each game.**

**Please note: If teams have players not attending at least half (1/2) of scheduled practices and/or missing games, they must notify BCYC Admin staff within 24 hours of the game. If the Director is not officially notified, the player will be expected to play as stated above. Player participation issues will be handled case-by-case to determine player participation eligibility.**
